FOR IMMEDIATE RELEASE

Subject: Holiday Decorations

As the holiday season quickly approaches, the City of Cypress would like to remind all residents that holiday decorations are not allowed in the public right-of-way (streets and sidewalk) without a permit. Activities that are specifically prohibited include, but are not limited to the following: placing electrical cords across the sidewalk, placing items which obstruct the pedestrian path of travel, placing items which affect traffic sign and street sign visibility, stringing lights across the street, and the unauthorized decoration of any City property and/or facility.

The City of Cypress appreciates your cooperation in celebrating a safe and cheerful holiday season. If you have any questions, please contact the Cypress Engineering Department at (714) 229-6740.
