**FOR IMMEDIATE RELEASE**

**SUBJECT: Cypress City Hall Now Accepting Credit Card Payments**

Cypress is pleased to announce that the convenience of credit card payments at the counter is now available at Cypress City Hall. There is no longer a need to bring a checkbook for transactions such as building permits, business license fees, temporary use permits, etc.

"We are excited to now offer a more convenient way to do business with the City to our residents and businesses," said Mayor Mariellen Yarc. The acceptance of credit card payments is intended to improve customer service at City Hall and help achieve the City Council's goal of strengthening organizational effectiveness and efficiency.
