FOR IMMEDIATE RELEASE

SUBJECT: Cypress Named One of the Best Cities for Families in Orange County

The City of Cypress has been named the 4th best affordable city for families in Orange County by OC Parenting magazine. Cypress was specifically highlighted for its racial diversity, outstanding schools, community recreation amenities, and its proximity to local family-friendly attractions.

Mayor Mariellen Yarc responded that “Cypress is an outstanding community to call home! We are fortunate to have quality housing, excellent schools, and a thriving local economy. Of course those of us who live in Cypress already know that it is one of the best places to live, but we love it when others discover what we’ve known all along.”
