Cypress Police Department held its annual "Tip-A-Cop" fundraiser for Special Olympics on Thursday, April 14 at Chili's. Police officers worked alongside Chili's staff to serve patrons

throughout the night and all tips earned by the officers were donated to Special Olympics to support programs in Orange County.

The Cypress City Council was also in attendance to support Cypress PD and Special Olympics. “Tip-A-Cop is a great fundraiser for a worthy cause and the community loves to have the officers wait on them. It’s a fun night for everyone,” said Mayor Mariellen Yarc.

Cypress Police raised over \$3,200 at its Tip-A-Cop event. The money will be used to support Special Olympics athletes, like the Cypress Sea Otters basketball team, through sports, education, and athlete health programs.
