FOR IMMEDIATE RELEASE

SUBJECT: City Council Thanks Vans for Service Day in Cypress

(Pictured: Mayor Mariellen Yarc, Council Member Rob Johnson and Vans employees)

Vans employees recently spent the day giving back to the Cypress community by helping out at Oak Knoll and Arnold/Cypress parks. Mayor Mariellen Yarc and Council Member Rob Johnson stopped by to thank the Vans team members on behalf of the entire City Council and Cypress residents.

Over 80 employees from Vans corporate office spent their day painting restrooms, snack shacks, picnic tables and benches. Vans has been a committed corporate volunteer in Cypress, holding annual service day events in City parks. Past

service days have included clearing walking trails in Nature Park, mulching trees, and painting the roller hockey rink at Arnold/Cypress Park.
